

GROUP CHIEF FINANCIAL OFFICER – FL

GROUP FINANCE DEPARTMENT

ITHALA TRADE CENTRE

REFERENCE NUMBER: LJ23108

Reporting to the Group Chief Executive Officer, the Group Chief Financial Officer will advise and provide strategic direction on long-term business and financial planning as well as direct processes for policy implementation, financial forecasting and budgets, and overseeing the preparation of all financial reporting.

The Group Chief Financial Officer will:

- Develop and lead implementation of the business unit's strategic and operational plans, policies, and procedures.
- Manage and direct procedures and processes associated with preparation, consolidation and performance evaluation of the organisation's capital and operating budgets and financial statements.
- Ensure financial sustainability and viability of IDFC by proper management of budgets.
- Provide financial advice in relation to the organisation's overall financial position, financial viability and financial sustainability.
- Align capital and operating budgets estimations with the key deliverables and organisational priorities, present budgets for inclusion into committee and board presentation for final approval.
- Prepare and submit budget statement to Treasury or equivalent within stipulated time frames.
- Manage and oversee implementation of the accounting systems and functions.
- Lead and oversee effective reporting frameworks within the organisation.
- Support Human Capital Management in terms of Payroll Management.
- Ensure that all audit (Internal and external) matters are addressed timeously, providing necessary documentation as and when needed.
- Lead mobilisation of funding for approved projects and ensure that funds are invested in accordance with the investment policy and monitor performance/risks associated with investments.
- Ensure that procurement planning takes place and ensure compliance with relevant legislation.
- Ensure IDFC has an established and effective supply chain management system.
- Build and create strategic partnerships with all key stakeholders for IDFC.
- Manage Human Capital.

The following minimum requirements should be met in order to be considered:

Qualifications:

- Post Graduate Financial Qualification i.e., BCom (Accounting) with Financial and Management Accounting or equivalent.
- Qualified Chartered Accountant (NQF 7)
- CA (SA) registration as a qualified Chartered Accountant is essential.

Experience:

- Ten (10) years of experience in a Senior Financial Accounting and Treasury role, of which seven (7) years should be at a senior management/strategical level.
- Three (3) years of exposure in Supply Chain Management function would be desirable
- In-depth knowledge and application of finance management in the Development Finance Institution (DFI's) would be advantageous.
- Valid Driver's Licence with own vehicle.

All Short-listed applicants will be subjected to assessments, references and credit checks.
